Dear Mr Pearson

Public Space Protection Order Stockport Town Centre

Thank you for your letter dated 5th April 2016 in which you raise various concerns about the proposed Public Space Protection Order in the Town Centre. The Council has not yet made the order. The Council will not bring forward any such Order without a period of further consultation. The Council is now giving the matter further consideration and I will let you know the outcome of that consideration in due course.

Yours sincerely
